# Cookie Policy

This website uses cookies – small text files that are placed on your machine to help the site provide a better user experience.   In general, cookies are used to retain user preferences, store information for things like shopping carts, and provide anonymised tracking data to third party applications like Google Analytics.

Unless you have specifically told your browser not to accept cookies, almost all websites place cookies on your devices. This is not in itself a security or privacy issue.

However, cookies can be used by some systems to, for instance track your web usage to work out which advertisements to show you, or gain information about your social networking usage. If you worry that this impinges on your privacy, search for 'block all cookies' or view this page (https://www.howtogeek.com/63721/how-to-block-all-cookies-except-for-sites-you-use/) for       an idea of how to tell your browser not to allow them.

If you do this you may find that some websites will not work for you at all, or on others some functionality, like shopping baskets may not work.

Cantraybridge College website has always used cookies as outlined above, but we now need to inform you of this.
